

Overnight Accommodations

The Atlanta Tantra Festival is being held in the Grant Park neighborhood, just off University. There are several AirBnB's in the area and you can save \$25 on your first booking when you sign up here: <https://www.airbnb.com/c/apeterson126?currency=USD> .

We have very limited room space available onsite for our out of town guests. Because of this priority will go to those traveling in from out of state first, and then to those driving in from outside of the perimeter.

For guests staying SATURDAY night, rates are as follows:

Single Room - \$99

Double - \$60 per bed

Quad - \$40 per bed

For those staying for the plant healing ceremony on Sunday night, single rooms are not available. If you are interested in staying and journeying into Monday morning please email info@atltantrafest.com to request space.

If you are interested in being considered for overnight accommodations on Saturday night, and you haven't completed the google doc, please do so now here: <https://goo.gl/forms/qXj7ZGwvEsWTmoad2>
